

We are with jubilation once again sharing with you that we pride Bank's pinnacle of success, as your Invest Bank , the "Bank of Choice" was awarded a **Best Enterprise for professional achievements in the Banking Sector for 2012** by the **Socrates International Committee of Oxford, UK**. The presentation

ceremony was held in Vienna, Austria on 16th December 2012. With this award Bank now enters the European list of reliable partners and a dynamic enterprise. **Mr Sami Rached Farhat** recognized as the driving force was awarded the "**Manager of the Year**", for 2012.

following the first one in London in June this Finance as the "Best Performing Commercial the UAE for 2012". Such consecutive achievements a year are rare and this was possible with the resoluteness, customers and staff loyalty in making this Bank "your choice" which has helped in making a name in the European List.

This is our Bank's second award for the year by World Bank in Bank's

ments in Bank's

We would like to share this moment of glory as we value our customers business and cherish the long association with all our stakeholders. This journey and Bank's fortitude to become a sustainable enterprise while remaining focused on its core activities in providing working capital, project and trade finance with dedicated commitment from the management and staff to excel in customer service has contributed to lasting partnerships with all its stakeholders, translating these to prestigious awards.

Bank believes, in fostering better understanding and promote a dialogue in furthering all our clients' businesses as economic development in all spheres remains at the core of our strategy and a nucleus to Bank's progression. The Bank is proud of its progression and these recognitions that has now placed Invest Bank amongst the European list of reliable partners and a dynamic enterprise.
